Re: Northside Center

Dear Mr. Kresge:

Enclosed is a plot plan of Northside Center on which I have shaded in orange the Kresge Store, and also emphasized the locations of the columns and foundation piling within the store. You will find this plan helpful in case you pass by the site during construction, and I would like to invite you to let me escort you through the project whenever you find it convenient.

Sincerely yours,

C. W. Kilpatrick
